We hope that you will have an opportunity to worship with us in the near future. We're aware of the fact that it can be a bit intimidating to visit a church for the first time, so we thought that we would give you some helpful information about what to expect. If you have additional questions, feel free to give us a call at (770) 943-9964

Before Service

Gospel Nation has weekly worship service Sundays 10:40 a.m. [Click here for a map and driving directions to our campus.](#) If you are making plans to attend, our services start on time and last approximately 100-110 minutes. The nursery is open for ages six months through 18 months. Children's church starts at approximately 11:15 for ages 3 to 11 offered during Sunday morning service. Each service can also be seen and heard from our cry room which serves as a "play room" for families with restless children. In addition, the women's restroom by the main entrance has a lounge. Our attendees dress in a variety of styles. So whether you are dressed casually or in your "Sunday best", you will not feel out of place. When you arrive for service, you may park in any available space in our parking lots. Please respect those spaces reserved for those with special needs.

During Service

Gospel Nation is a welcoming church. As you enter the worship facility, ushers and greeters will be on hand to assist you. In addition, you'll find friendly, helpful people from the staff in the multi-purpose area.

After the call to worship an opening prayer, our worship ensemble leads the congregation in singing and the lyrics of each song are projected on a video screen. Visitors are free to sing along with us or simply observe. The Ordinance of Holy Communion (The Lord's Supper) is observed on the first Sunday of every month. When we do so, we clearly explain the significance and meaning of this practice.

After Service

Following the service, Pastor Bailey is available to greet visitors and the congregation in the multi-purpose area outside the sanctuary. Also, those who don't have to leave immediately are free to enjoy refreshments in our multi-purpose area. We sincerely hope you enjoy your visit to Gospel Nation!
